FreshhMinds Community Website

Savankumar Sutariya

What is FreshhMinds

FreshhMinds is a platform for students to share their ideas and projects with the world. It is a platform for students to showcase their talent and get recognized for their work. It is a platform for students to learn and grow. It is a platform for students to get inspired and inspire others.

Structure of Website

Components

1. Navigation bar
    - Logo
    - Navigation links
    - Join link (freshhminds.github.io)
2. Footer
    - Socials
    - Partners
    - Copyright ©

Pages

1. Home page:
    - Information About Community
    - Recent Activity
    - Footer
2. Events:
    - Events list:
        i. Banner
        ii. Title
        iii. Short Description
        iv. Link
    - Event pages
        i. Event Banner
        ii. Detailed Description
        iii. Date/time, Venue, etc. Information
3. Explore:
    - #100DaysOfCode
        i. Banner
        ii. About
        iii. Twitter timeline
    - Show Case
        i. Learn In Public
            1. Idea
               Blogs
    - Open Source
        i. About
        ii. Projects
            1. Image with Github link
            2. Name
4. About:
    - Group Picture
    - About Community
    - Team members

Technologies

- HTML5
- CSS3

About Us
FreshhMinds is a student-run community focusing on open-source, project-based learning. It aims to help folks to get opportunities by encouraging them to learn, build and share in public. We encourage folks to get started with open-source and conduct multiple events around the same. We are a community of more than 400+ members and growing every day.
